

WAGNER Multifunction Oil Spray

Universal all-round product.

Applications

Corrosion protection and contact agent, rust remover, lubricant and cleaning agent – all in one product. Loosens rusted and corroded nuts, bolts, chains and stuck connections.

Lubrication of hinges, zippers, sewing machines, switches, wheels, rollers, handles, locks, springs, leaf springs, pedals, etc., displaces water e.g. in trailer sockets, metal parts, electrical contacts, ignition systems, motor and power tools, two-wheelers and even small engines.

Please note: The product is not suitable for lubrication points that can come into contact with food.

Technical Data WAGNER Multifunction Oil Spray

Property	Test method	Test result	Unit
Relative density		0.79	g/ml
Flash point		-21	°C
Ignition temperature		> 490	°C
Lower explosion limit		1.5	Vol%
Upper explosion limit		9.5	Vol%
Vapour pressure		3-4	bar
Solubility in water		not miscible	
VOC		max. 840	g/l

Application & Dosing

Apply as thin film and leave on for a few minutes. Repeat, if necessary, in case of heavy rusting.

Packaging

Available Container	Content	Item No.
Spray can	400 ml	190400
